

SPECIAL
TERMINATION SECRECY AGREEMENT

1. I solemnly swear that in addition to any commitments made by me in the United States Government SECRECY AGREEMENT or in a United States Government debriefing, oral or written, I acknowledge that should I again be assigned to another Government agency or department, I will preserve the secrecy of intelligence operations, sources and methods of the United States Government from other persons in such Government agencies and departments, even though such persons are fully cleared for Top Secret, or possess any other type of security clearance, within their own departments.

2. I further affirm that I will not discuss with or disclose to any other Government employee, foreign service officer or other official with whom I may later be associated, any information relating directly to clandestine operations, sources or methods, personnel or fiscal figures of the United States Government or to special operations, security measures or other matters which may have been acquired by reason of my assignment with the United States Government, unless by permission of an authorized representative of the United States Government.

3. Should any question arise under this agreement or should I desire permission hereunder, I will communicate with an authorized representative of the United States Government for advice and guidance.

4. I understand that Congress has placed upon the United States Government the responsibility for the protection of intelligence sources and methods by virtue of the National Security Act of 1947, as amended. I further understand that this agreement is for my benefit as well as that of the United States Government and that this agreement may be quoted by me on any future occasion where compliance therewith may prove embarrassing.

TERMINATION SECRECY OATH

I, Stanley Brinkley, am about to terminate my association with the United States Government. I realize that, by virtue of my duties with that Agency, I have been the recipient of information and intelligence which concerns the present and future security of the United States of America. I am aware that the unauthorized disclosure of such information is prohibited by the espionage laws (18 U.S.C. secs. 793 and 794) and by the National Security Act of 1947 which specifically requires the protection of intelligence sources and methods from unauthorized disclosure. Accordingly, I SOLEMNLY SWEAR, WITHOUT MENTAL RESERVATION OR PURPOSE OF EVASION, AND IN THE ABSENCE OF DURESS, AS FOLLOWS:

1. I will never divulge, publish, or reveal by writing, word, conduct, or otherwise, any information relating to the national defense and security and particularly information of this nature relating to intelligence sources, methods, and operations, and specifically United States Government operations, sources, methods, personnel, fiscal data, or security measures to anyone, including, but not limited to, any future governmental or private employer, private citizen, or other government employee or official without the express written consent of an authorized representative of the United States Government.
 2. I have been invited to submit in writing any monetary claims which I may have against the United States Government which may in any way necessitate the disclosure of information described herein. I have been advised that any such claims will receive full legal consideration. In the event, however, that I am not satisfied with the decisions of the United States Government concerning any present or future claims I may submit, I will not take any other action to obtain satisfaction without prior written notice to the United States Government, and then only in accordance with such legal and security advice as the United States Government will promptly furnish me.
 3. I do not have any documents or materials in my possession, classified or unclassified, which are the property of, or in custodial responsibility of the United States Government, having come into my possession as a result of my duties with the United States Government, or otherwise.
 4. During my exit processing and during my period of employment with the United States Government I have been given an opportunity to report all information about the United States Government, its personnel, and its operations which I consider should receive official cognisance. Hence, I am not aware of any information which it is my duty in the national interest to disclose to the United States Government, nor am I aware of any violations or breaches of security which I have not officially reported, except as set forth on the reverse side of this sheet or on other attachments.
 5. I have been advised that in the event I am called upon by the properly constituted authorities to testify or provide information which I am pledged hereby not to disclose, I will notify the United States Government immediately; I will also advise said authorities of my secrecy commitments to the United States Government and will request that my right or need to testify be established before I am required to do so.
 6. I am aware of the provisions and penalties of the espionage laws, Act of June 25, 1950 (18 U.S.C. secs. 793 and 794) and am fully aware that any violation on my part of certain matters sworn to by me under this oath may subject me to prosecution under the terms of that Act, and that violation of other portions of this oath are subject to appropriate action, including such dissemination of the violation as the circumstances warrant.
